SUMMARY OF THE EVENT:

1. Objective of the Event:

To enhance teacher's skills and knowledge, equipping them with the necessary tools and methodologies to improve their teaching effectiveness and student learning outcomes.

2. Description:

With the blessings of JagadGuru Sri, Sri, Sri Padmabhushana Dr. Balagangadharanatha Mahaswamiji and with the blessings of JagadGuru Sri, Sri, Sri Dr. Nirmalanandanatha Mahaswamiji, Pontiff Adichunchanagiri Mahasamsthana Mutt and also with the blessings of Sri, Sri, Gunanatha Swamiji, Adichunchanagiri Mahasamsthana, Sringeri, and with the whole hearted support of our beloved Director Dr. C T Jayadeva and our beloved principal Dr. Prakash Rao K S.

A Three-day Faculty Development Program on "**Comprehensive Abilities of a Teacher**" was held at our campus from **1st June to 3rd June 2025** under the guidance of IQAC. The event was inaugurated by the Sri, Sri, Gunanatha Swamiji, Secretary of Adichunchanagiri Mahasamsthana, Sringeri and Director of AIBM, Dr. C T Jayadeva, Principal Dr. K S Prakash Rao, Resource Person Dr. K V Giridhar, & Dr. Santhosh Kumar, All the Heads of the Departments, Faculty Members & Participants.

On the **First day** of the FDP, (Tuesday, July 1st 2025)

Session 1 Dr. K V Giridhar focused on "**Innovative Teaching and Learning Practices**" aims to equip educators with the latest strategies and tools to enhance their teaching methodologies and create more engaging learning environments. These programs often explore technology integration, active learning techniques, and reflective practices for continuous improvement.

Session 2 Dr. Santhosh Kumar on "**Research Methodology**" aims to enhance the research capabilities of faculty members and researchers by providing them with a comprehensive understanding of research methods, data analysis, and academic writing. These programs often cover both qualitative and quantitative research approaches and equip participants with the skills necessary for conducting independent research, writing research proposals, and publishing in scholarly journals.

Second day of the FDP, (Wednesday, July 2nd 2025)

Session 1 Major C S Anand focused on "**Classroom Engineering & Inspirational Teaching**" aims to enhance educators' skills in creating engaging and effective learning environments. This involves exploring innovative teaching strategies, leveraging technology, and fostering a student-centered approach to education. The goal is to empower teachers to inspire students, promote active learning, and cultivate a love for learning.

Session 2 Dr. Srinivas Murthy focused on "**Academic Leadership and Strategic Academic Planning**" aims to equip faculty members with the skills and knowledge necessary to effectively lead and manage academic institutions, particularly in the context of evolving higher education landscapes. These programs emphasize the development of leadership skills, strategic thinking, and the ability to align academic planning with institutional goals.

Third day of the FDP, (Thursday, July 3rd 2025)

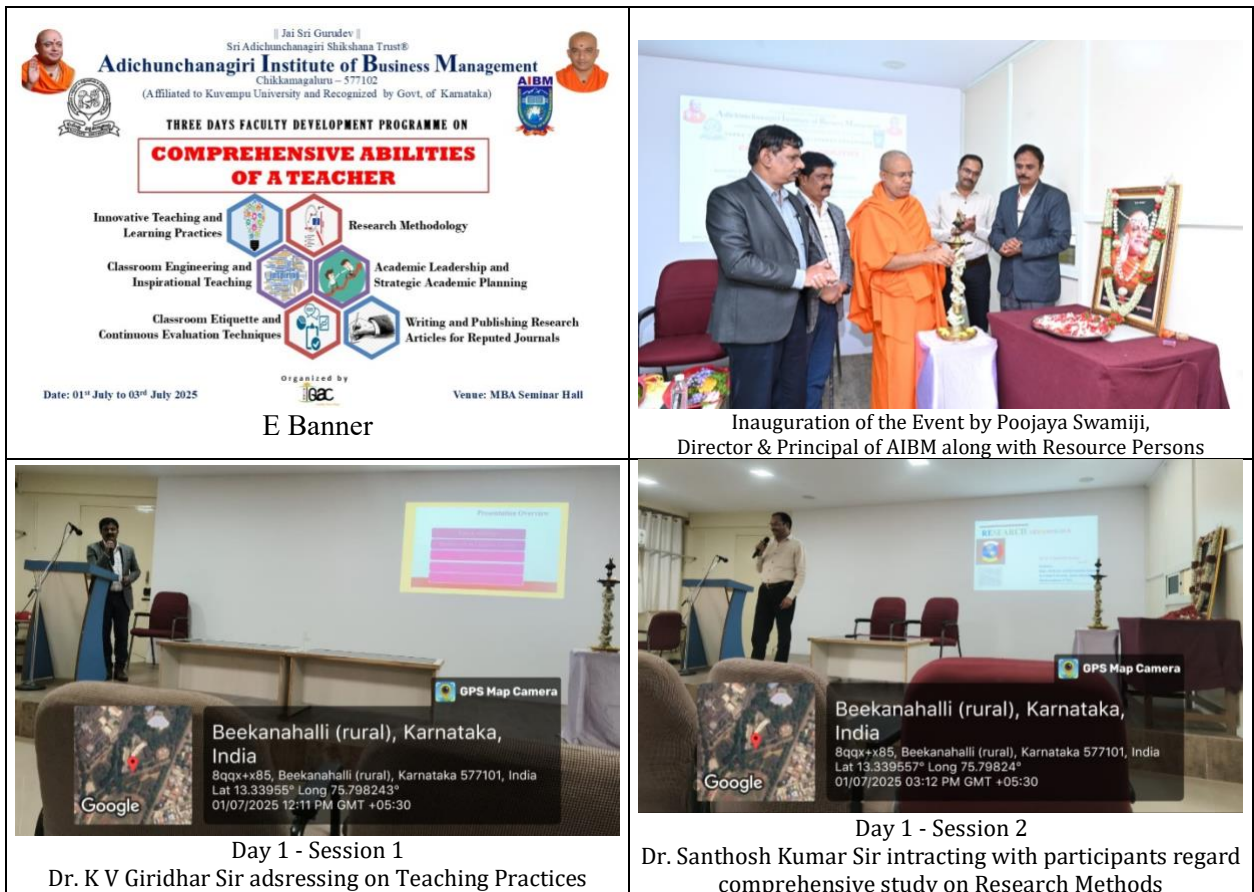

Session 1 Dr Rashmi Akshay Yadav focused on **“Classroom Etiquette and Continuous Evaluation Techniques”** aims to enhance teaching effectiveness by improving classroom management and assessment strategies. The program would cover topics such as creating a positive learning environment, implementing various continuous evaluation methods, and utilizing feedback to improve student learning.

Session 2 Dr Srinivas R Patil focused on **“Research Article Writing and Publishing in Reputed Journals”** aims to equip researchers and faculty members with the skills and knowledge to effectively communicate their research findings. These programs often cover aspects like research methodology, ethical considerations, manuscript preparation, journal selection, and the submission process. The goal is to enhance the quality and impact of research by increasing publication rates in peer-reviewed journals.

3. Feedback:

The FDP on **‘Comprehensive Abilities of a Teacher’** successfully equipped participants with valuable insights and practical skills, along with student psychology, better classroom management, increased proficiency in using technology for education, IoT, and research project management. Feedback analysis indicated high levels of satisfaction with the program's practical focus and the relevance of the topics covered.
